In addition to those terms and conditions set out in Section 6 'General Policy Conditions', the following Conditions also apply to Section 4.15 'Legal Expenses Cover'. In the event that **you** or any **insured person** are found to have breached any of these Conditions then cover may not be provided and **we** will not be liable to make any payment under this Section of **your policy**.

Apart from **us**, **you** are the only person who may enforce all or any part of this Section of **your policy** and the rights and interests arising from or connected with it.

1. Obligations

- (b) The **insured person** shall take all reasonable steps to prevent any occurrence which may give rise to a claim under this Section of the **policy**.
- (c) The **insured person** shall inform **us** immediately in writing of any offer or payment into Court made with a view to settling the claim and:
 - (i) no agreement to settle the payment of **our** costs is to be made without **our** prior consent

We may discontinue indemnity if, during the course of the claim, **we** consider that such prospects for recovery no longer exist. If **we** refuse to accept, or discontinue, a claim **we** shall inform the **insured person** of **our** reasons for so doing. Where **we** refuse to accept, or discontinue, a claim without the agreement of the **insured person**, the **insured person** may request arbitration in accordance with Condition 5 'Differences' of this Section of the **policy wording**. If the **insured person** continues with the claim and succeeds thereby, **we** will reimburse the costs expended by the **insured person**.

3. Appointment of a Representative

- (a) An **insured person** may appoint a **representative** by notifying **us** of the name and contact details of such a suitably qualified individual if:
 - (i) **we** agree to start legal proceedings and it becomes necessary for a lawyer to represent the interests of an **insured person** in those proceedings, or
 - (ii) there is a conflict of interest.

- (b) **We** shall have direct access to the **representative** at all times and the **insured person** shall co-operate fully with **us** in all respects and shall keep **us** fully and continually informed of all material developments in the legal representation or proceedings.

At **our** request the **insured person** shall instruct the **representative** to produce immediately to **us** any documents, information or advice in the **representative's** possession.

The **insured person** shall also give the **representative** such other instructions in relation to the conduct of the claim as **we** may require.

- (d) If the **representative** refuses to continue acting for an **insured person** with good reason, or if an **insured person** dismisses the **representative** without good reason, the indemnity provided under this Section of the **policy** shall cease with immediate effect, unless **we** agree to appoint another **representative**.
- (e) If an **insured person** settles a claim or withdraws it without **our** agreement, or does not give suitable instructions to a **representative**, the indemnity provided under this Section of the **policy** shall cease with immediate effect and **we** will be entitled to reimbursement by the **insured person** for any costs paid or incurred during the course of the claim.

Alternatively, the **insured person** can avail of the arbitration process set out in Condition 8 'Arbitration' of Section 6 'General Policy Conditions' of this **policy booklet** for details.
- (b) **We** may require the **insured person** to obtain, at their own expense, an opinion from an expert, that **we** consider appropriate, on the merits of the claim or proceedings, or on a legal principle. The expert must be approved in advance by **us** and the cost agreed in writing between the **insured person** and **us**. Subject to this **we** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that the **insured person** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence.
- (c) If **we** disclaim liability to the **insured person** for any claim and that claim is not referred to arbitration within 12 calendar months from the date of disclaimer of liability, then that claim shall be deemed to have been abandoned.

 - (ii) send to **us** any letter, claim, writ, summons or legal process as soon as it is received. This condition does not apply to Section 4.15 ‘Legal Expenses’
 - (iii) notify **us** in writing as soon as **you** become aware of any impending prosecution or coroner’s inquest involving any person entitled to be indemnified under this **policy**.
- (b) Further:
 - (i) The “Insured Person” (or the “Insured Person’s” agent) shall not make any admission of liability or offer or promise of payment but shall permit **us** to have the sole conduct of all negotiations or legal proceedings.
 - (ii) Subject to Condition 19 of this Policy, **we** shall be entitled to use the name of the “Insured Person” for the purpose of resisting or enforcing any claim. The “Insured Person” shall give **us** all reasonable assistance in connection therewith, to include the Insured Person cooperating with **us** in the investigation of insured events (including by responding to reasonable requests for information in an honest and reasonably careful manner) and shall act in all cases in **our** best interests.

- (iii) While **we** have the right to make the final determination in relation to coverage or handling of the whole or part of any claim, **we** will engage with the Insured Person during **our** investigation of the claim and give the Insured Person the opportunity to submit to **us**, any relevant evidence which could inform **our** determination as regards the claim. However, **we** shall have full power to settle any claim or part thereof and in the event of any dispute between **us** and the “Insured Person” such settlement shall have the effect for all purposes as if it were made with the concurrence of the “Insured Person” notwithstanding that such settlement may be made without admission of liability.

2. Fraudulent Claims

If a claim contains information that is false or misleading in any material respect and **you** or any **Insured Driver** (as the case may be) either knows that it is false or misleading or consciously disregards whether it is false or misleading, or a claim is otherwise fraudulent in any respect, (“Fraudulent Claim”) **we** shall be entitled to:

- (a) refuse to pay the claim; and
- (b) terminate the **Policy** by written notice in which case cover under the **Policy** shall be treated as having terminated with effect from the date on which the Fraudulent Claim was submitted.

In such circumstances of termination **we** shall refuse all liability to **you** and/or any **Insured Driver** (as the case may be) under the **Policy** in respect of any claim made after the date of submission of the Fraudulent Claim (but not in respect of any claim(s) made before submission of the Fraudulent Claim) and **we** need not return any of the premiums paid under the **Policy**.

3. Cancellation

- (a) Cancellation within the Cooling Off Period

If **you** wish to cancel **your policy** within 14 working days of purchasing it or receiving **your policy schedule** and **policy booklet** (whichever happens later) then please let **us** know.

We will refund the premium for the exact number of days left until the expiry date of **your policy** unless **you** have made a claim during the **period of insurance**. Where **you** have made a claim, **we** will deduct the cost of the claim from the amount of the premium that would otherwise have been refunded to **you** had no claim occurred.

- (b) Cancellation by **you**

You may cancel **your policy** at any time by giving us notice in writing and returning the **certificate of motor insurance** and Insurance Disc to **us**. The effective date of the cancellation of **your policy** will be the date on which **we** receive the **certificate of motor insurance** and Insurance Disc from **you** unless otherwise agreed by **us**.

We will refund the premium for the number of days left until the expiry date of **your policy** provided that:

- no claim or incident that may give rise to a claim under the **policy** has been made or occurred during the **period of insurance**

- the premium for the full **period of insurance** has been paid by **you** and received by **us**
- the refund due to **you** amounts to a sum greater than or equal to €10.00 (inclusive of any administration charge or deduction for claim costs that may apply)

Where **you** have made a claim during the **period of insurance**, **we** will deduct the cost of the claim from the amount of the premium that would otherwise have been refunded to **you** had no claim occurred.

If **you** pay the premium for **your policy** by instalments (Direct Debit) and **you** have made a claim, or a claim has been made against **you** under this **policy**, the balance of the annual premium for the full **period of insurance** will become payable to **us** upon cancellation.

If **you** cancel **your policy** during the first **period of insurance** after the Cooling-off Period, **we** will apply an administration charge of €25.00 which will be deducted from any premium refund that may be allowed.

(c) Cancellation by **us**

We may cancel **your policy** by sending 10 days' notice in writing to your last known address. **You** will be entitled to a premium refund for the number of days left until the expiry date of **your policy** provided that:

- no claim or incident that may give rise to a claim under the **policy** has been made or occurred during the **period of insurance**, and
- the premium for the full **period of insurance** has been paid by **you**, and
- the refund due to **you** amounts to a sum greater than or equal to €10.00 (inclusive of any deduction for claim costs that may apply)

Where **you** have made a claim during the **period of insurance**, **we** will deduct the cost of the claim from the amount of the premium that would otherwise have been refunded to **you** had no claim occurred.

If **you** pay the premium for **your policy** by instalments (Direct Debit) and **you** have made a claim, or a claim has been made against **you** under this **policy**, the balance of the annual premium for the full **period of insurance** will become payable to **us** upon cancellation.

Cancellation of **your policy** by **us** shall be without prejudice to any rights or claims by **you** or **us** arising prior to the effective date of such cancellation.

(d) Instalment Defaults

Where **we** have agreed to accept payment by instalments, any default in payment on the due date may result in the **Policy** cover being terminated.

4. Other Insurances

If any claim covered by this **policy** is also covered by any other policy of insurance, whether **you** are the policyholder of that other policy or not, (excluding claims under Section 4.6 'Personal Accident Protection') **we** shall not be liable to pay more than a rateable proportion. Provided always that nothing in this Condition shall impose on **us** any liability from which **we** would have been relieved by Part 3 (a), (ii) and (iii) of Section 1 'Liability to Third Parties' of this **policy booklet** but for the terms of this Condition.

5. Care of the Insured Vehicle

You and any **insured driver** must take all reasonable steps to prevent loss of or damage to or breakdown of any vehicle insured by **your policy** and to avoid insofar as possible the occurrence of injuries to passengers and third parties and their property.

The **insured vehicle** must be maintained in a safe and roadworthy condition at all times.

You must ensure that the **insured vehicle** has a valid NCT certificate and is fitted with appropriate tyres with tread depths in compliance with legal requirements.

You and any **insured driver** must ensure that the keys are not left in or on the **insured vehicle** while unattended or leave the **insured vehicle** unlocked.

You shall allow **us** or **our** authorised representative to inspect the **insured vehicle** at any time.

Subject to Condition 18, if this Condition is not complied with, **we** reserve the right not to pay a claim or if, by law, **we** are obliged to meet a claim, **we** reserve the right to seek recovery of any payment made by us from **you**.

6. Car Sharing

When the **insured vehicle** is being used as part of a car sharing or pooling arrangement and **you** receive contributions towards the cost of such journeys, **we** will not consider such use of the **insured vehicle** to be for hire or reward provided that:

- (a) the **insured vehicle** is not built or adapted to carry more than eight **passengers**;
- (b) **you** or any **insured driver** are not carrying **passengers** as customers of a passenger-carrying business;
- (c) the total contributions that **you** or any **insured driver** receives do not mean that **you** or the **insured driver** financially profits from such an arrangement.

If **you** are not sure as to whether the use of the **insured vehicle** for a car-sharing arrangement is covered under **your policy**, please contact **us**.

7. Change in Circumstances

You must immediately inform **us** if there are any changes whatsoever to any of the information that **you** have previously provided to **us** and which **we** have used in assessing the level of cover provided to **you** and the premium that **we** require for **your policy**.

Please refer to **your statement of fact** for details of the information that **you** have provided to **us**.

You must immediately inform **us** about any of the following changes during the **Policy** period:

- any modifications or alterations to the **insured vehicle**, including but not limited to , air induction kits and filters, lower suspension, change to the exhaust, engine maintenance computers or adding of body parts;
- a change of car or changes in the ownership of the **insured vehicle**;
- a change in **your** use of the **insured vehicle**;
- a change to the main user/driver of the **insured vehicle**;
- a change in the employment status or occupation of **you** or any **insured driver**;
- any changes to the health of **you** or any **insured driver** which requires notification to the National Driver Licence Service (NDLS);
- any convictions, whether related to motoring offences or not, prosecutions or any penalty points which apply to **you** or any **insured driver**;
- a change of **your** address;
- any motoring accident or motor insurance claim involving **you** or any **insured driver** whether such claim is made on **your policy** or any other policy of motor insurance;
- any incidence where the **insured vehicle** will be driven in a country not included in the **territorial limits** or if **your** intended period of foreign travel under Section 4.11 'Foreign Travel Cover' exceeds the number of days stated on **your policy schedule**.
- any changes to:
 - the information provided in any **Proposal Form** or otherwise in response to specific questions asked by **us**; and/or
 - the information provided and recorded in any **Statement of Fact** issued to **you**; and/or
 - the declarations made by **you** or on **your** behalf; and/or
 - any additional information voluntarily provided.

When **you** notify **us** about a change, or if **we** otherwise become aware of any such change, as referenced above, **we** may reassess the premium chargeable and **Policy** cover more generally.

We may refuse a claim made by **you** and/or any **Insured Driver** (as the case may be) where there has been a change in the subject matter of the **Policy** which results in a new risk which **we** did not agree to cover and which was beyond **your** and **our** reasonable contemplation when the **Policy** was entered into.

Failure to disclose any such change may result in difficulty obtaining insurance in the future.

Please advise **us** if a criminal conviction involving **you** or an **insured driver**, which had previously been disclosed to **us**, has become spent under the Criminal Justice (Spent Convictions and Certain Disclosures) Act 2016 prior to the expiry of the current period of

insurance. If **you** fail to advise **us** of this, any premium changes or alterations and/or special conditions that **we** may have applied when offering to renew **your policy** for any subsequent period of insurance will continue to apply.

8. Arbitration

If there is a dispute arising out of this **policy**, the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by **you** and **us**, but if we cannot agree upon an arbitrator then an arbitrator shall be appointed by the authorised body identified in the current arbitration legislation. If a disputed claim is not referred to arbitration within 12 calendar months from the date of **our** disclaimer of liability, then the claim shall be deemed to have been abandoned.

9. (1) Pre-contractual Representations

You acknowledge and accept the following:

- (a) **you** have a legal duty prior to entering into the **Policy** and/or prior to the renewal of this **Policy** to provide responses to questions **we** ask in relation to the risk(s) to be insured.
- (b) a matter about which **we** ask a specific question is material to the risk undertaken by **us** or the calculation of the premium by **us**, or both.
- (c) **you** have a legal duty to answer all questions asked by **us** honestly and with reasonable care.
- (d) while **we** acknowledge that **you** have no legal duty of voluntary disclosure, **you** shall ensure that information which is voluntarily provided by **you** or on **your** behalf is provided honestly and with reasonable care.

(2) Remedies for Misrepresentation

- (a) In this Condition 9, the term “negligent misrepresentation” means a representation made without reasonable care but which was not fraudulent. Where a claim is made under the **Policy** but an answer which was provided, or information which was volunteered, by **you** or on **your** behalf involves a negligent misrepresentation, the remedy available to **us** shall reflect what **we** would have done had **we** been aware of the full facts and shall be based on a compensatory and proportionate test, as follows:
 - (i) if **we** would not have entered into the **Policy** on any terms, **we** may avoid the **Policy** from inception or renewal (as the case may be) and refuse all claims, but shall return the premium paid;
 - (ii) if **we** would have entered into the **Policy**, but on different terms, the **Policy** is to be treated as if it had been entered into on those different terms if **we** so require;
 - (iii) if **we** would have entered into the **Policy**, but would have charged a higher premium, **we** may reduce proportionately the amount to be paid on the relevant claim.
- (b) Where an answer which was provided, or information which was volunteered, involves a negligent misrepresentation which is identified at a time prior to there being any claim under the **Policy**, **we** may either:
 - (i) give **you** notice that in the event of a claim **we** will exercise the remedies in paragraphs (a)(i)-(iii) above as appropriate; and/or
 - (ii) terminate the **Policy** by giving reasonable notice.

- (c) Where a claim is made under the **Policy** but an answer which was provided, or information which was volunteered, by **you** involves a fraudulent misrepresentation, or where **your** conduct (relative to the **Policy** or the steps leading to its formation) involves fraud of any other kind, **we** shall be entitled to avoid the **Policy** from the date of commencement or renewal (as the case may be) without return of premium.

10. Rights of Recovery

If, under the provisions of Section 76 of the Road Traffic Act 1961 (as amended), or the equivalent law of any other country (if any) in which **you** are covered by this **Policy**, **we** are required by law to pay a claim which **we** would not otherwise be obliged to pay under the terms of this **Policy**, **we** shall pay such claim but shall be entitled to recover from **you** or any other **Insured Driver** (as the case may be) all sums paid by **us**.

11. Compliance with Driving Licence Conditions

Any person whose driving is covered by the terms of the **certificate of motor insurance** must hold a licence to drive the **insured vehicle** and must satisfy and comply with the conditions and any limits of their driving licence.

Any person whose driving is covered by the terms of the **certificate of motor insurance** must adhere to any restrictions, conditions and limits on their driving licence including any restriction relating to the class of vehicle being driven or any other licence condition that may apply.

Any learner permit holder whose driving is covered by the terms of the **certificate of motor insurance** must comply with the requirement to be accompanied by a full driving licence holder at all times when the learner permit holder is driving. The learner permit holder must comply with all restrictions, conditions and limits of their learner permit as prescribed by the Road traffic Acts and any other regulations which apply to such learner permit holders while driving.

12. Policy Renewal

When **your policy** is due for renewal **we** may offer to renew it for **you** automatically using the payment details **you** have already provided to **us** unless **we** or **you** have advised otherwise.

We will contact **you** at least 20 working days before the expiry of the current **period of insurance** and before taking any payment from **you** to confirm **your** renewal premium and cover. If **you** do not want to renew **your policy** **you** must contact **us** prior to the expiry of the current **period of insurance** to let **us** know.

It is not possible to offer automatic renewal in all circumstances, for example **we** may need to discuss aspects of **your policy** cover with **you** or **your** payment method may change. The renewal offer issued by **us** will advise if **your policy** will be automatically renewed or if **you** need to contact **us**. If **we** are unable to offer renewal terms for **your policy** **we** will write to **you** at your last known address to let **you** know.

13. Premium Alterations

If an alteration to **your policy** results in an additional premium due to **us** or a refund premium due to **you**, **we** will only charge or refund such premium provided the amount involved is greater than or equal to €10.00.

14. Insurance Act 1936

All monies which become or may become due and payable by **us** under this **policy** shall in accordance with Section 93 of the Insurance Act 1936 be payable and paid in the Republic of Ireland in Euro.

15. Stamp Duties Consolidation Act 1999

The appropriate Stamp Duty has been or will be paid in accordance with the provisions of Section 5 of the Stamp Duties Consolidation Act 1999.

16. Law Applicable to the Contract

Under the relevant European and Irish legal provisions, **you** and **we** can choose the law applicable to this contract. We propose that the law of the Republic of Ireland will apply to the contract.

17. Duty to Comply with Policy Conditions

- (a) **You** must comply with the terms, limitations, Exceptions, Conditions and Endorsements of this **Policy** so far as they relate to anything to be done or complied with by **you**, to include **you** cooperating with **us** in the investigation of insured events, including by responding to reasonable requests for information in an honest and reasonably careful manner
- (b) Other than where expressly provided in this **Policy**, **your** compliance with the terms, limitations, Exceptions, Conditions and Endorsements of this **Policy** shall be a condition precedent to any liability on **our** behalf to make any payment under the **Policy**
- (c) Breach of any notification-related term or Condition will entitle **us** to refuse payment of a claim where **we** were prejudiced by the breach of the notification-related term or Condition in question.

18. Effect of Continuing Restrictive Conditions

In this **Policy**, any term that imposes a Continuing Restrictive Condition, including one that is intended to reduce the risk of a particular type of loss, or reduce the risk of loss occurring at a particular time or in a particular location, shall be treated as a suspensive condition. This means that if:

- (a) **you** breach any such term; and
- (b) during the period of breach **you** suffer a relevant loss; and
- (c) such breach increased, in the circumstances concerned, the risk of the loss suffered by **you**,

we will have no liability for the loss.

19. Subrogation

This clause applies where **we** have the right to be subrogated to the Insured Person's rights against some other person but the Insured Person has not exercised those rights and might reasonably be expected not to exercise those rights because:

- (a) the Insured Person and the other person are members of the same family (to be construed in accordance with the Employment Equality Act 1998), or are cohabitants (to be construed in accordance with the Civil Partnership and Certain Rights and Obligations of Cohabitants Act 2010); or

- (b) the Insured Person expressly or impliedly consented to the use, by the other person, of a motor vehicle insured under this **Policy**.

Where in the above circumstances the other person is not insured in respect of their liability to the Insured Person, **we** do not have the right to be subrogated to the Insured Person's rights against that other person.

Where the other person is so insured, **we** may not recover from the other person an amount greater than the amount that that person may recover under their insurance policy.

This clause does not apply where the conduct of the other person that gave rise to the loss involved serious or wilful misconduct.

If the Insured Person is an employer, **we** will not exercise **our** right of subrogation against an employee except where the loss was caused by an employee intentionally or recklessly and with knowledge that the loss would probably result.
