Where am I covered?

We will provide insurance as set out in your policy booklet for insured events which arise whilst the insured vehicle is being used or driven in the Republic of Ireland, Northern Ireland, Great Britain, the Isle of Man or the Channel Islands during the period of insurance.

In addition we will provide the minimum legal insurance required by law to use the insured vehicle in any country which is a member of the European Union. Please note that the level of cover provided is the minimum level of cover required by law. This is not the same level of cover that you receive when driving in the Republic of Ireland or the UK and does not cover loss or damage to the insured vehicle unless otherwise extended under Section 4.11 'Foreign Travel Cover' of your policy.

What are my obligations?

You have a legal duty to answer all questions asked by us in connection with your application for insurance honestly and with reasonable care. You must also ensure that any information voluntarily provided by you or on your behalf is provided honestly and with reasonable care.

Failure to comply with these requirements and/or any negligent or fraudulent misrepresentation could invalidate your Policy or affect your insurance cover or premium. It could also result in a claim being declined or the amount payable in respect of a claim being reduced or difficulty obtaining insurance in the future. Further information is provided in the Policy Booklet.

You must also (as more fully set out in the Policy Booklet):

- Tell us if any of the information you provided before policy cover commenced or renewed subsequently changes (for example, a change of car or motoring convictions).
- Take reasonable steps to safeguard the vehicle against loss, damage and breakdown and to prevent injuries.
- Pay the premium or premium instalments on time.
- Tell us about any incidents connected to this insurance within 48 hours of their occurrence, including where any incident is likely to give rise to a claim.
- Provide all information and assistance that we may require.

When and how do I pay?

Premium for this policy may be paid in full. An instalment payment facility may be available. Payment for this policy may be made by personal cheque, credit or debit card.

Important information regarding your payment method

If you choose to pay on Zurich's instalment plan, a service charge is applied. Zurich payment method history also impacts future pricing, so payment by instalments is likely to lead to a higher premium at your next renewal.

When does the cover start and end?

The cover start and end dates of your policy will be displayed on your policy schedule and Certificate of Motor Insurance. The term of the policy is 12 months unless otherwise agreed with us.

How do I cancel the contract?

If you decide for any reason that the policy does not meet your needs you may cancel the policy within 14 working days from the start date of cover (the "Cooling-off Period). Provided that no claims have been made or are pending, the premium for the unexpired term will be returned to you and no cancellation fee will apply.

You can otherwise cancel your policy at any time by writing to us. We will cancel the policy on the date we receive your request in writing along with your certificate and disc. Please note that if you cancel in the first year of insurance (outside the Cooling-off Period) a cancellation fee of €25 will apply.
