Making a Claim

What you should do

First, check your insurance Policy to see if the incident that has occurred is covered by your Policy. If it is, then please dial **0818 208 408** or **01 6091436**. We will take details of your claim and can arrange for a contractor to call out to your home and deal with the damage that has occurred. We will also find out what items have been damaged or stolen and take steps to organise replacements for some of them from our approved suppliers. To access information regarding an existing claim, simply dial **0818 208 408** or **01 6091436** (24 hours, 365 days a year).

Claims Notification Period

Please note that unless otherwise stated in this Policy all claims must be notified to Zurich at the latest within 30 days of the occurrence of the relevant event or cause (as the case may be) giving rise to the claim.

However, please refer to the Policy Conditions section of this document and familiarise yourself with your specific obligations when notifying a claim, as failure to comply could result in your claim being refused, where we are prejudiced.

No Claims Discount

Should no claim arise under the Policy during any one complete Period of Insurance, you will receive a discount at the renewal of your Policy in line with our No Claims Discount scale.

If you make a claim during the Period of Insurance, the No Claims Discount will be reduced to zero years. However in cases where a claim is made in close proximity to the renewal date and the renewal notice has been issued, we may reduce the No Claims Discount to zero years at the following renewal.

Note:

- One complete period of insurance is deemed to be from the inception date to the renewal date of a Policy and a minimum of one year.
- There is a maximum No Claims Discount Scale. Contact us if you would like more information on this.
- The No Claims Discount is non-transferable.

Underinsurance

Protecting your home and contents

The purchase of your home represents probably the largest financial investment you will make in your lifetime. To safeguard your financial interest in your property you must insure the full reinstatement value of your buildings and contents. Failure to do so may result in your claim settlement being reduced. Please see the 'Settlement of claims' section under Sections A, B and C of this Policy.

Each year prior to renewal of your annual Policy you should review the amount for which you have insured your buildings and contents and inform us, prior to renewal, of any changes. For example, if home improvements have been carried out, such as the building of an extension or the conversion of the attic, or if you have purchased additional contents, the sums insured should be increased to reflect this.

Other factors should also be considered when setting your sums insured such as the costs of materials / contents, inflation, the availability and cost of labour. You can refer to the SCSi website www.SCSi.ie as a guide for setting your sums insured.

Section A: Buildings – Settling Claims

We will pay, at our option, the full cost of repair, or reinstatement as new, of the damaged part of the **buildings** provided that the work is done without delay or, at our option, **we** will arrange for the work to be carried out. However, this will be subject to the following:

Retention Amount

Our priority is to provide financial support to customers throughout the claim process to ensure any repair/reinstatement work is completed as quickly as possible. Where **we** opt to pay the costs of repair or reinstatement as above, **we** may:

- (a) release a proportion of the estimated cost of repair or reinstatement prior to completion of the work;
- (b) pay the balance (otherwise known as the “retained amount”) to **you** on completion of the work and on receipt of appropriate documentation validating the costs incurred by **you** for the repair or reinstatement work (including VAT invoices).

The retained amount will not exceed:

- (i) 5 per cent of the claim settlement amount in a case in which the claim settlement amount is less than €40,000; or
- (ii) 10 per cent of the claim settlement amount in a case in which the claim settlement amount is €40,000 or more.

Underinsurance

Our liability for repair or reinstatement following insured loss or damage shall not exceed the sum insured on **buildings** at the time of loss or damage.

To safeguard your financial interest in your property **you** must insure the full reinstatement value of your **buildings**, which should include due allowance for debris removal costs, architects, surveyors, consulting engineers and other fees necessarily incurred in the reinstatement of the property. Failure to do so will result in your claim settlement being reduced.

The **buildings** sum insured as stated in the Policy Schedule is subject to the following condition of average:

If the sum insured on **buildings** at the time of the insured loss or damage is less than the cost of rebuilding as new all the **buildings** (including fees as above) covered by this Policy and such difference is greater than 15% of the rebuilding cost as new, **we** will pay only that proportion of the loss or damage which the sum insured bears to the cost of rebuilding as new all the **buildings** covered by this Policy.

Wear and Tear

We will deduct an amount for wear and tear if the **buildings** are in a poor state of repair or decoration.

- If it is necessary to make a deduction for wear and tear, then for the purposes of determining whether or not there is underinsurance, the cost of rebuilding as new all the **buildings** covered by this Policy less the deduction for wear and tear will be compared with your actual sum insured.

- **We** will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched.

If repair or reinstatement is not carried out (at **your** request, which must be explained and reasonable) **we** will pay the reduction in market value resulting from the loss or damage, but only up to what it would have cost to rebuild or repair if such work had been carried out without delay.

The most **we** will pay under paragraphs 1 to 14, 18 and 'Additional Costs' below is the sum insured by this section.

We will automatically reinstate the sum insured from the date of payment of any claim unless **we** have given **you** written notice to the contrary before payment.

Additional Costs

We will pay the necessary and reasonable expenses that **you** incur with our consent in reinstating the **buildings** following loss or damage insured under this section, namely:

- fees to architects, surveyors, consulting engineers and others agreed by **us**
- the cost of clearing the site and making it and the **home** safe
- the cost of complying with any government or local authority requirements following loss or damage unless **you** were given notice of the requirements before the loss or damage occurred. Where **you** were not notified of any government or local authority requirements prior to the loss or damage occurring and such requirements increase the rebuilding as new cost, this increased cost will be disregarded for the purposes of determining whether or not the **buildings** are underinsured.

We will not pay:

- fees incurred by **you** for preparing a claim under this section
- costs in respect of undamaged parts of the **buildings** (except the foundations of the damaged parts).

Mortgagees clause

Where **you** have advised **us** and **we** have noted the interest of a mortgagee in this Policy the interest of the mortgagee shall not be prejudiced by any act or neglect by **you**, your **household** or any tenant that increases the danger of damage without the authority or knowledge of the mortgagee, provided that the mortgagee as soon as reasonably possible after becoming aware of the danger, shall give notice to **us** and pay an additional premium if required.

Index-linking

We will monitor rebuilding costs using a range of appropriate indices and market information that **we** have available to **us**.

At renewal, we will automatically adjust the Buildings sum insured (but not any monetary limits) to help protect you against inflation.

This adjustment of the sum insured will be subject to a minimum increase of 1% in the reviewed indices during the period of insurance.

This adjustment of the sum insured will apply to every policy including those which are under repair following a claim provided required repairs or reinstatements are carried out without delay.

It is important to note that index-linking is not specific to your property and relying on index-linking alone may not be sufficient to protect you from underinsurance. This is especially important if you have made changes, additions or upgrades to your home. It is vital that you review your sum insured regularly to ensure you have adequate cover to meet your needs.

More than one home

When more than one **home** is insured by this Policy, the terms and conditions of the Policy shall apply as if each is separately insured.

Selling your home

If **you** are selling your **home** **we** will insure the buyer up to the date the contract is completed unless he/she has arranged his/her own insurance. The buyer must keep to the terms and conditions of the Policy.

Section B: Contents – Settling Claims

We will pay, at our option, the full cost of replacement as new, or repair, of the **contents** lost or damaged or, at our option, **we** will replace the **contents** or arrange for the repair work to be carried out.

However, this will be subject to the following:

Underinsurance

Our liability for repair or replacement as new of **contents** following insured loss or damage shall not exceed the sum insured on **contents** at the time of loss or damage.

To safeguard your financial interest in your property **you** must insure the full replacement value as new of your **contents**. Failure to do so will result in your claim settlement being reduced.

The **contents** sum insured as stated in the Policy Schedule is subject to the following condition of average:

If the sum insured on **contents** at the time of the insured loss or damage is less than the cost of replacing as new all the **contents** covered by this Policy and such difference is greater than 15% of the replacement cost as new, **we** will pay only that proportion of the loss or damage which the sum insured bears to the cost of replacing as new all the **contents** covered by this Policy.

Wear and Tear

We will deduct an amount for wear and tear:

- for clothing, footwear, furs and linen
- for floor coverings more than 12 months old where a claim arises under paragraph 31, Extended accidental damage.

If it is necessary to make a deduction for wear and tear, for the purposes of determining whether or not there is underinsurance, the cost of replacement as new of all the **contents** covered by this Policy less the deduction for wear and tear will be compared with your actual sum insured.

- **We** will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched
- The most **we** will pay under paragraphs 1 to 13, 16, 19, 20 and 31 is the sum insured by this section subject to the condition of average but see also the limitations on pages 10-12 with regard to collections of stamps, coins or medals, satellite dishes, receivers, ancillary equipment and **valuable property**.
- Where the damaged or lost item can be repaired or replaced with an item of similar quality, **we** may at our option either arrange or authorise replacement. If an exact replacement is not available, **we** may either arrange or authorise replacement with an item of similar quality. Where the replacement or repair of any item results in an increase in the value of that item **we** may make a deduction in respect of Betterment.

- If **you** do not replace (for a reason that is explained and reasonable) an article which is lost, or damaged beyond economical repair, **we** will pay the resale market value only.

Additional Costs

We will not pay:

- fees incurred by **you** for preparing a claim under this section

Index Linking

At renewal we will adjust the sum insured (but not any monetary limits) in line with the relevant sections of the Consumer Price Index as issued by the Central Statistics Office.

This adjustment of the sum insured will:

- be subject to a minimum increase of 1% in the consumer price index during the period of insurance
- continue after any insured loss or damage if required repairs or reinstatement are carried out without delay.

It is important to note that index-linking is not specific to your contents and relying on index-linking alone may not be sufficient to protect you from underinsurance. It is vital that you review your sum insured regularly to ensure you have adequate cover to meet your needs, particularly where you have added to your contents.

Settling Claims

We will pay, at our option and subject always to the limits specified in the Unspecified Personal Possessions Cover or the Specified Personal Possessions Cover (as applicable), the full cost of repair, or reinstatement as new, of the article lost or damaged or, at our option, **we** will replace the article or arrange for its repair. However, this will be subject to the following deductions where so required:

- Underinsurance (in relation to Item 2 – Specified Personal Possessions only)
 - Our liability for repair or reinstatement following insured loss or damage to an article shall not exceed the relevant sum insured at the time of loss or damage.
 - To safeguard your financial interest in your property **you** must insure the full reinstatement value of each article. Failure to do so will result in your claim settlement being reduced.

- The sum insured for an article under Item 2 – Specified Personal Possessions in this Personal Possessions section is subject to the following condition of average:

If the relevant sum insured for an article at the time of the insured loss or damage is less than the cost of replacement as new and such difference is greater than 15% of the replacement cost as new, **we** will pay only that proportion of the loss or damage which the sum insured bears to the cost of replacement as new of the article.

- **We** will deduct an amount for wear and tear for clothing, furs and footwear.
- If it is necessary to make a deduction for wear and tear as above, then for the purposes of determining whether or not there is underinsurance for the relevant article (for Item 2 – Specified Personal Possessions purposes), the cost of reinstating as new that article, less the deduction for wear and tear, will be compared with your actual sum insured.
- **We** will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched.
- If **you** do not replace (for a reason that is explained and reasonable) an article which is lost, or damaged beyond economical repair, **we** will pay the resale market value only.

1. Protection of Property and Prevention of Accidents

You will take all reasonable steps to protect the **property** and prevent accidents or legal disputes.

2. Fraudulent Claims

If a claim contains information that is false or misleading in any material respect and **you** either know that it is false or misleading or consciously disregard whether it is false or misleading, or a claim is otherwise fraudulent in any respect, ("Fraudulent Claim"), **we** shall be entitled to:

- (a) refuse to pay the claim; and
- (b) terminate the Policy by written notice in which case cover under the Policy shall be treated as having terminated with effect from the date on which the Fraudulent Claim was submitted.

In such circumstances of termination **we** shall refuse all liability to **you** under the Policy in respect of any claim made after the date of submission of the Fraudulent Claim (but not in respect of any claim(s) made before submission of the Fraudulent Claim) and **we** need not return any of the premiums paid under the Policy.

No administration charge will be applied if **you** give notice in writing of **your** intention to cancel the Policy within 14 working days from the date the Policy is concluded (the "Cooling-Off Period"). If **you** cancel the Policy outside of the Cooling-Off Period, **we** will deduct an administration charge from any return of premium.

4. Arbitration

 - (iv) any additional information voluntarily provided.

When **you** notify **us** about a change as above, or if **you** otherwise become aware of any such change, as referenced above, **we** may reassess the premium chargeable and Policy cover more generally.

We may refuse a claim made by **you** where there has been a change in the subject matter of the Policy which results in a new risk which **we** did not agree to cover and which was beyond the reasonable contemplation of **us** and **you** when the Policy was entered into. Failure to disclose any such change may result in difficulty obtaining insurance in the future.

7. Claims

Upon learning of any circumstances which may give rise to a claim **you** must:

- tell **us** as soon as reasonably possible but immediately if there is riot damage
- give **us** all the help and information that **we** may reasonably require

- take the benefit of your rights against another person before or after **we** have paid a claim
- take over the defence or settlement of a claim against **you** by another person.

14. Excess

Where any single event, being a single incident or transaction, or a series of incidents or transactions linked by cause or time, results in a claim under more than one section of the Policy, the highest **excess** only will apply.

15. Insurance Act 1936

All monies which become payable by **us** under this Policy shall in accordance with Section 93 of the Insurance Act 1936 be payable and paid in the Republic of Ireland.

16. Instalment Defaults

Where **we** have agreed to accept payment by instalments, any default in payment on the due date may result in the Policy cover being terminated.

17. Stamp Duties Consolidation Act 1999

The appropriate Stamp Duty has been or will be paid in accordance with the provisions of the Stamp Duties Consolidation Act, 1999.

18. Premium Alterations

If an alteration to the Policy results in an additional premium due to **us** or a refund premium due to **you**, **we** will only charge or refund such premium provided the amount involved is greater than or equal to €10.

19. Let Properties

If the property is let, there must be a tenancy agreement in place between **you** and the tenant directly for a minimum tenancy term of 12 months.

20. (1) Pre-contractual Representations

You acknowledge and accept the following:

- (a) **you** have a legal duty prior to entering into this Policy and/or prior to the renewal of this Policy to provide responses to questions asked by **us** in relation to the risk(s) to be insured.
- (b) a matter about which **we** ask a specific question is material to the risk undertaken by **us** or the calculation of the premium by **us**, or both.
- (c) **you** have a legal duty to answer all questions asked by **us** honestly and with reasonable care.
- (d) while **we** acknowledge that **you** have no legal duty of voluntary disclosure, **you** shall ensure that information which is voluntarily provided by **you** or on **your** behalf is provided honestly and with reasonable care.

(2) Remedies for Misrepresentation

- (a) The term “negligent misrepresentation” means a representation made without reasonable care but which was not fraudulent. Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on **your** behalf involves a negligent misrepresentation, the remedy available to **us** shall reflect what **we** would have done had **we** been aware of the full facts and shall be based on a compensatory and proportionate test, as follows:
 - (i) if **we** would not have entered into the Policy on any terms, **we** may avoid the Policy from inception or renewal (as the case may be) and refuse all claims, but shall return the premium paid;
 - (ii) if **we** would have entered into the Policy, but on different terms, the Policy is to be treated as if it had been entered into on those different terms if **we** so require;
 - (iii) if **we** would have entered into the Policy, but would have charged a higher premium, **we** may reduce proportionately the amount to be paid on the relevant claim.
- (b) Where an answer which was provided, or information which was volunteered, involves a negligent misrepresentation which is identified at a time prior to there being any claim under the Policy, **we** may either:
 - (i) give notice to **you** that in the event of a claim **we** will exercise the remedies in paragraphs (a)(i)–(iii) above as appropriate; and/or
 - (ii) terminate the Policy by giving reasonable notice.
- (c) Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on **your** behalf involves a fraudulent misrepresentation, or where any conduct by **you** or on **your** behalf (relative to the Policy or the steps leading to its formation) involves fraud of any other kind, **we** shall be entitled to avoid the Policy from the date of commencement or renewal (as the case may be) without return of premium.

21. Effect of Continuing Restrictive Conditions

In this Policy, any term that imposes a Continuing Restrictive Condition, including one that is intended to reduce the risk of a particular type of loss, or reduce the risk of loss occurring at a particular time or in a particular location, shall be treated as a suspensive condition. This means that if:

- (a) **you** breach any such term; and
- (b) during the period of breach **you** suffer a relevant loss; and
- (c) such breach increased, in the circumstances concerned, the risk of the loss suffered by **you**, we will have no liability for the loss.

A Continuing Restrictive Condition is any condition in this Policy, however expressed, that purports to require **you** to do, or not to do, a particular act or acts, or requires **you** to act, or not to act, in a particular manner (and any condition the effect of which is that a given set of circumstances is required to exist or to be maintained or not to exist shall be taken as falling within this definition).

22. Subrogation Limits

For the purposes of this condition only, the expression “insured person” shall mean **you** and any other person entitled to be indemnified under this Policy.

This clause applies where **we** have the right to be subrogated to the insured person's rights against some other person but the insured person has not exercised those rights and might reasonably be expected not to exercise those rights because the insured person and the other person are members of the same family (to be construed in accordance with the Employment Equality Act 1998), or are cohabitants (to be construed in accordance with the Civil Partnership and Certain Rights and Obligations of Cohabitants Act 2010).

Where in the above circumstances the other person is not insured in respect of their liability to the insured person, **we** do not have the right to be subrogated to the insured person's rights against that other person. Where the other person is so insured, **we** may not recover from the other person an amount greater than the amount that person may recover under their insurance policy.

This clause does not apply where the conduct of the other person that gave rise to the loss involved serious or wilful misconduct.

If the Insured Person is an employer, **we** will not exercise **our** right of subrogation against an employee except where the loss was caused by an employee intentionally or recklessly and with knowledge that the loss would probably result.

Policy Exceptions

These exceptions apply to all Sections of this Policy.

The Policy does not cover:

1. Any event arising from war, invasion, act of foreign enemy, hostilities (whether war is declared or not), civil war, rebellion, revolution, insurrection, military force or coup.
2. Loss or damage arising directly from pressure waves caused by aircraft and other aerial devices travelling at sonic or supersonic speeds.

4. Any liability, cost or expense of whatsoever nature for **bodily injury** to a person or accidental loss of or damage to property directly or indirectly caused by or resulting from asbestos, asbestos fibres or any derivatives of asbestos. In addition, the Policy does not provide cover for any cost or expense of whatsoever nature for any action taken in controlling, preventing or suppressing the effects of, or the removal of, asbestos, asbestos fibres or any derivatives of asbestos, unless such cost is in connection with a valid claim under the Policy which has been caused by an insured event and such cost has been agreed by us in writing.
5. Any expense, consequential loss, legal liability or loss of or damage to any property directly or indirectly arising from the presence of any sulphides including but not limited to pyrite and/or their derivatives.

8. Any loss or damage caused by faulty materials, faulty design or faulty workmanship.

10. Loss or damage caused by wear and tear or gradual deterioration.
11. Any loss, damage, liability, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any act of terrorism regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

For the purpose of this endorsement an act of terrorism means an act, including but not limited to the use of violence and/or threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s) or government(s), committed for political or other purposes including the intention to influence any government and/or to put the public or any section of the public in fear.

This endorsement also excludes loss, damage, liability, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to any act of terrorism.

If **we** allege that by reason of this exclusion, any loss, damage, liability, cost or expense is not covered by this Policy the burden of proving the contrary shall be upon **you**.
