The Contract of Insurance

This Policy is a contract between you and us.

We will insure you under those sections shown in the Policy Schedule during any period of insurance for which we have accepted your premium provided all the terms and conditions of the Policy are kept.

Under the relevant European and Irish Legal provisions, the parties to this contract of insurance, we, Zurich Insurance plc and you, the Insured, are free to choose the law applicable to the contract. We propose that this contract is governed by Irish Law.

Your Policy Documents

Your Home Insurance contract consists of three documents, as listed below. These documents should be read as if they are one document. Please read them carefully and keep them in a safe place. If they do not meet your requirements or if you have any queries regarding the cover or terms and conditions, please contact your insurance broker or us.

If you wish to make alterations to your Policy, they must be notified to us immediately for cover to apply. Such alterations may include the purchase of a piece of jewellery, home improvements such as an extension or the addition of a conservatory to your home.

The Policy Booklet

This booklet details the extent of cover for each of the sections of the Policy, along with the Policy conditions and exceptions.

The Policy Schedule (showing details of your cover)

This includes details of the insured premises, sections and clauses that apply, the sums insured and the period of insurance.

The Statement of Facts (outlines the information you've given to us)

The Statement of Facts is a precise record of the information which you or anyone on your behalf provided to us about your risk and upon which we have relied when deciding whether to accept this insurance, what terms to apply to it and the premium to charge.

Emergency Assistance

When the unexpected happens, it's reassuring to know that help is at hand when you need it – that you can talk to someone who will be able to give you advice and assistance immediately.

Emergency Helpline

Zurich, along with our assistance company provide an Emergency Helpline, to ensure that customers get the reassurance they need.

Getting your home back in order

Whether it's a case of burst pipes, a leaking roof or lock replacements, our experienced staff will offer you immediate assistance, day or night.

- You will be required to pay a call out fee to the relevant contractor. The contractor must provide you with a receipt.
- If work is required other than that which is catered for by payment of the call out fee, the contractor must provide you with a written estimate and an explanation of the work to be carried out.
- You are responsible for instructing the contractor to complete this work. Payment for this work must be collected directly from you. Please retain any damaged materials/goods in order to substantiate any future claim.
- You can claim for the work completed by the contractor under your Home Insurance Policy. Once we are satisfied that the damage/repairs are covered by your Policy, we will reimburse you for the agreed amount less any Policy excess.
- The advantages to you, our customer, are:
 - faster response to your emergency
 - specially negotiated rates for your repairs or replacement of your items even if the damage is not covered under your Policy
 - help and assistance at a traumatic time.

You can avail of our 24 hour, 365 day helpline, by dialling **1890 208 408** or **01 6091436**. Our experienced staff will ensure that your emergency is taken care of quickly and efficiently.

Making a Claim

What you should do

First, check your insurance Policy to see if the incident that has occurred is covered by your Policy. If it is, then please dial **1890 208 408** or **01 6091436**. We will take details of your claim and can arrange for a contractor to call out to your home and deal with the damage that has occurred. We will also find out what items have been damaged or stolen and take steps to organise replacements for some of them from our approved suppliers. To access information regarding an existing claim, simply dial **1890 208 408** or **01 6091436** (24 hours, 365 days a year).

Our priority is to provide financial support to customers throughout the claim process to ensure any repair/reinstatement work is completed as quickly as possible. In the event of a property claim, where we elect to settle a claim on a cash basis, we may release a proportion of the estimated cost of repair/reinstatement prior to completion of the work.

You must keep your receipts for any repair/reinstatement work as you will need to validate these costs. The balance of the cost, otherwise known as a 'retention amount', will be given to you on receipt of the appropriate documentation that validates the costs incurred by you for the repair/reinstatement work (example VAT invoices.)

Claims Notification Period

Please note that all claims must be notified to Zurich within 30 days of their occurrence.

Please refer to the Policy Conditions section of this document and familiarise yourself with your obligations as failure to comply could result in your claim being refused.

No Claims Discount

Should no claim arise under the Policy during any one complete Period of Insurance, you will receive a discount at the renewal of your Policy in line with our No Claims Discount scale.

If you make a claim during the Period of Insurance, the No Claims Discount will be reduced to zero years. However in cases where a claim is made in close proximity to the renewal date and the renewal notice has been issued, we may reduce the No Claims Discount to zero years at the following renewal.

Note:

- One complete period of insurance is deemed to be from the inception date to the renewal date of a Policy and a minimum of one year.
- There is a maximum No Claims Discount Scale. Contact us if you would like more information on this.
- The No Claims Discount is non-transferable.

Underinsurance

Protecting your home and contents

The purchase of your home represents probably the largest financial investment you will make in your lifetime. To safeguard your financial interest in your property you must insure the full reinstatement value of your buildings and contents. Failure to do so may result in your claim settlement being reduced. Please see the 'Settlement of claims' section under Sections A, B and C of this Policy.

Each year prior to renewal of your annual Policy you should review the amount for which you have insured your buildings and contents and inform us, prior to renewal, of any changes. For example, if home improvements have been carried out, such as the building of an extension or the conversion of the attic, or if you have purchased additional contents, the sums insured should be increased to reflect this.

Complaints Procedure

At KBC, we care about our customers and believe in building long-term relationships by providing quality products combined with a high standard of service.

If it should happen that you have cause for complaint, either in relation to your Policy or any aspect regarding the standard of our service, please see the steps outlined below.

Please contact us directly by phone or outline the nature of your complaint to us in writing. The complaint will be fully investigated by us and if it is not resolved to your satisfaction within five business days, a written response will be provided to you. While our investigation of any complaint is ongoing we will provide you with a written update every 20 days.

Section A – Buildings – Settling Claims

We will pay, at our option, the full cost of repair, or reinstatement as new, of the damaged part of the **buildings** provided that the work is done without delay or, at our option, **we** will arrange for the work to be carried out. However, this will be subject to the following:

Underinsurance

Our liability for repair or reinstatement following insured loss or damage shall not exceed the sum insured on **buildings** at the time of loss or damage.

To safeguard your financial interest in your property **you** must insure the full reinstatement value of your **buildings**, which should include due allowance for debris removal costs, architects, surveyors, consulting engineers and other fees necessarily incurred in the reinstatement of the property. Failure to do so will result in your claim settlement being reduced.

The **buildings** sum insured as stated in the Policy Schedule is subject to the following condition of average:

If the sum insured on **buildings** at the time of the insured loss or damage is less than the cost of rebuilding as new all the **buildings** (including fees as above) covered by this Policy and such difference is greater than 15% of the rebuilding cost as new, **we** will pay only that proportion of the loss or damage which the sum insured bears to the cost of rebuilding as new all the **buildings** covered by this Policy.

Wear and Tear

We will deduct an amount for wear and tear if the **buildings** are in a poor state of repair or decoration.

- If it is necessary to make a deduction for wear and tear, then for the purposes of determining whether or not there is underinsurance, the cost of rebuilding as new all the **buildings** covered by this Policy less the deduction for wear and tear will be compared with your actual sum insured.
- **We** will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched.

If repair or reinstatement is not carried out (at **your** request, which must be explained and reasonable) **we** will pay the reduction in market value resulting from the loss or damage, but only up to what it would have cost to rebuild or repair if such work had been carried out without delay.

The most **we** will pay under paragraphs 1 to 14, 18 and 'Additional Costs' below is the sum insured by this section.

We will automatically reinstate the sum insured from the date of payment of any claim unless **we** have given **you** written notice to the contrary before payment.

Additional Costs

We will pay the necessary and reasonable expenses that **you** incur with our consent in reinstating the **buildings** following loss or damage insured under this section, namely:

- fees to architects, surveyors, consulting engineers and others agreed by **us**
- the cost of clearing the site and making it and the **home** safe
- the cost of complying with any government or local authority requirements following loss or damage unless **you** were given notice of the requirements before the loss or damage occurred. Where **you** were not notified of any government or local authority requirements prior to the loss or damage occurring and such requirements increase the rebuilding as new cost, this increased cost will be disregarded for the purposes of determining whether or not the **buildings** are underinsured.

We will not pay:

- fees incurred by **you** for preparing a claim under this section
- costs in respect of undamaged parts of the **buildings** (except the foundations of the damaged parts).

Mortgagees clause

Where **you** have advised **us** and **we** have noted the interest of a mortgagee in this Policy the interest of the mortgagee shall not be prejudiced by any act or neglect by **you**, your **household** or any tenant that increases the danger of damage without the authority or knowledge of the mortgagee, provided that the mortgagee as soon as reasonably possible after becoming aware of the danger, shall give notice to **us** and pay an additional premium if required.

Index-linking

We will automatically adjust the sum insured (but not any monetary limits) in line with changes in the House Construction Cost Index issued by the relevant government department.

This adjustment of the sum insured will:

- be subject to a minimum increase of 1 % in the House Construction Cost Index during the period of insurance
- continue after any insured loss or damage if required repairs or reinstatement are carried out without delay.

We will not charge extra premium during the period of insurance but at the end of the period **we** will calculate the renewal premium on the revised sum insured.

More than one home

When more than one **home** is insured by this Policy, the terms and conditions of the Policy shall apply as if each is separately insured.

Selling your home

If **you** are selling your **home** **we** will insure the buyer up to the date the contract is completed unless he/she has arranged his/her own insurance. The buyer must keep to the terms and conditions of the Policy.

Section B – Contents – Settling Claims

We will pay, at our option, the full cost of replacement as new, or repair, of the **contents** lost or damaged or, at our option, **we** will replace the **contents** or arrange for the repair work to be carried out.

However, this will be subject to the following:

Underinsurance

Our liability for repair or replacement as new of **contents** following insured loss or damage shall not exceed the sum insured on **contents** at the time of loss or damage.

To safeguard your financial interest in your property **you** must insure the full replacement value as new of your **contents**. Failure to do so will result in your claim settlement being reduced.

The **contents** sum insured as stated in the Policy Schedule is subject to the following condition of average:

If the sum insured on **contents** at the time of the insured loss or damage is less than the cost of replacing as new all the **contents** covered by this Policy and such difference is greater than 15% of the replacement cost as new, **we** will pay only that proportion of the loss or damage which the sum insured bears to the cost of replacing as new all the **contents** covered by this Policy.

Wear and Tear

We will deduct an amount for wear and tear:

- for clothing, footwear, furs and linen
- for floor coverings more than 12 months old where a claim arises under paragraph 31, Extended accidental damage.

If it is necessary to make a deduction for wear and tear, for the purposes of determining whether or not there is underinsurance, the cost of replacement as new of all the **contents** covered by this Policy less the deduction for wear and tear will be compared with your actual sum insured.

- **We** will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched
- The most **we** will pay under paragraphs 1 to 13, 16, 19, 20 and 31 is the sum insured by this section subject to the condition of average but see also the limitations on pages 10-12 with regard to collections of stamps, coins or medals, satellite dishes, receivers, ancillary equipment and **valuable property**.
- Where the damaged or lost item can be repaired or replaced with an item of similar quality, **we** may at our option either arrange or authorise replacement. If an exact replacement is not available, **we** may either arrange or authorise replacement with an item of similar quality. Where the replacement or repair of any item results in an increase in the value of that item **we** may make a deduction in respect of Betterment.

- If **you** do not replace (for a reason that is explained and reasonable) an article which is lost, or damaged beyond economical repair, **we** will pay the resale market value only.

Additional Costs

We will not pay:

- fees incurred by **you** for preparing a claim under this section

Index Linking

We will automatically adjust the sum insured (but not any monetary limits) in line with changes in the Household durable goods section of the Consumer Price Index as issued by the Central Statistics Office.

This adjustment of the sum insured will:

- be subject to a minimum increase of 1 % in the Household durable goods section of the Consumer Price Index during the period of insurance
- continue after any insured loss or damage if required repairs or reinstatement are carried out without delay.

We will not charge extra premium during the period of insurance but at the end of the period **we** will calculate the renewal premium on the revised sum insured.
