

## Zurich – Refreshingly backing brokers

As Ireland's leading broker insurer, Zurich continues to build sustainable broker partnerships offering specialised and specialist product and service solutions for brokers' customers.

We are refreshingly backing brokers and remain firmly committed to the broker market. We will continue to develop and strengthen relationships with our supporting broker partners. Our focus is to grow in a targeted way with supporting brokers where both parties can trade sustainably and profitably together.

Our wide range of broker solutions including Financial Lines, Engineering, Business, Farm, Motor and Home is underpinned by our highly experienced and dedicated underwriting, claims and broker servicing teams.

# Zurich – Refreshingly backing brokers

Specialised and specialist – our focus areas

## Farm

Our superior cover, unrivalled claims service, market leading technology and a dedicated farm underwriting team delivers a best in class proposition, making us Ireland's fastest growing farm insurer.

## Business Lines – Mid Market

Our business lines mid market underwriting teams are focused on providing risk management expertise across property and casualty lines of business to customers across a range of industries.

## Financial Lines

Financial Lines remains a complex and rapidly evolving risk management requirement. Our team are experts in this field, supported by a comprehensive product offering.

## Personal motor

Remediation of our Personal Motor book is now complete and we are focused on delivering a quality premium solution to target segments.

## Large case

Market experts in their fields, our highly experienced and dedicated large case team deliver focused and bespoke underwriting solutions for complex and large risks.

## Household

Our home insurance remains a market leading proposition offering excellent value and cover for customers. Our multi-year home product provides certainty of cover and price for up to three years.

## Engineering

Our engineering inspection team is unrivalled in terms of their expertise and service within the Irish market. Further enhancements and technology innovations will be made in the future to deliver value to our customers.
