

My home has been damaged from escape of water

You tell us about your claim.

Call Zurich on 01 609 1436 or Email claimsnotification@zurich.ie.

If your contents are insured with us, you'll need to provide a list of the items damaged, proof of ownership such as photographs and receipts and an estimate of the costs to repair or replace these with like for like replacements.

We may arrange for a Loss Adjuster to meet with you on site, who will talk you through the next steps in proceeding with your claim.

Your claim is complete.

We'll deduct your excess from your final settlement*.

We'll ask you some questions:

- What's happened?
- Has the leak stopped?
- What's damaged?

If your buildings are insured with us, you'll need to provide photographs of the damage, an estimate of costs to repair the damage, and a plumber's report outlining the cause of the leak.

Once we've established that the cause of the loss or damage is covered under your policy, we'll agree the costs required to complete the repairs for the resulting water damage with you.

- To help reduce any damage, try to stop the leak or turn off the water supply as soon as you can.
- Please take photos of the damage as it helps later on.
- Don't dispose of any damaged items or proceed with repairs without our consent.

*In some cases a portion of the claim payment may be held pending completion of the repairs and provision of supporting documentation. All claims are subject to the terms and conditions of your policy.
